

Employment Assistance Program

As Knights, we are called upon to serve many people...our church, our communities and our families. When a Brother Knight's ability to care for his family is made difficult by the loss of a job or the need for better employment, we are ready to help. The Employment Assistance Program is part of Family Activities for the Maryland State Council. Our goal is to provide assistance, support and prayers for those of our Brothers who may find themselves in need of our help. We offer:

- Job Search Assistance
- Advice on Continuing Education and/or Training
- Resume Assistance
- Interview Coaching
- A network of Brothers
- Support and a Helping Hand

If you or a Brother Knight is in need of employment assistance, please contact Employment Assistance Chairman Pat Ruckle at psrbelair@aol.com or by phone at 410-905-6002.
