

Brother Knights,

Maryland councils have an exciting new opportunity for Brother Knights to serve as volunteers at the Saint John Paul II National Shrine. This is a **special opportunity** available to **ALL Knights in the DC Area** and would involve providing assistance to the Shrine on heavy volume visit days. Duties would include welcoming visitors and assisting staff with any needs as they may arise.

As we approach the March for Life later this month, the Shrine is expecting thousands of visitors. So, while there will definitely be an ongoing opportunity to sign up to be a volunteer, the Shrine is looking for its first group of volunteers to help on January 28 (and then on into the future on a regular basis).

Any interested council members are encouraged to please contact the DC State Church Director Victor David via email (32david@cardinalmail.cua.edu). Once volunteers are identified, there will be a very simple training that the Shrine's Pilgrimage and Visitor Services staff will organize with volunteers.

Vivat Jesus,
Brandon Brown
Knights Outreach, Saint John Paul II National Shrine
State Treasurer, DC Knights of Columbus
