July 2018

Worthy State Officers, Executive Staff, District Deputies, District Wardens, State Directors, State Chairmen and Chairladies, Regional Advisors, Ladies Auxiliary Chairladies, and Grand Knights,

To aid you in preparation for the new fraternal year, the Maryland State Council will conduct program seminars on the dates and at the locations noted below. The purpose of these seminars is to inform council directors and chairmen about the State Council sponsored programs that can be used to supplement their own favorites, as well as to offer suggestions and advice to assist councils with their Faith in Action programs. These seminars also provide the opportunity for the free exchange of ideas and concerns among councils, and with the State Team. A listing of the seminars, assigned by location for each council, is attached.

We all have common program and membership goals, and a desire to see every council SUCCEED. Those council members requested to attend are the program and membership directors; Faith, Family, Community and Life activity directors; recruitment and retention chairmen; intellectually disabled (Tootsie Roll), incentive program (car raffle), charity fund, and Admission degree chairmen; and lecturer. The ladies' auxiliary president and officers are also invited to attend. We encourage all council officers to attend the appropriate seminar.

The Regional Advisors, District Deputies and District Wardens for the councils listed as well as the Grand Knights and Chair Officers are expected to attend. If any council director, chairman or officer cannot attend their assigned seminar, please select an alternate to attend. If a council decides to attend a different workshop, please let your District Deputy know so that he can make arrangements for your information to be at the alternate workshop.

The State Deputy cannot emphasize enough the importance of these seminars and the need for all council directors, chairmen and officers to attend. The difference between success and failure for this fraternal year could well depend on the information you receive at these seminars.

The State Program Team is excited to meet with all of the councils and their program teams at these seminars. We hope to see you there!

Your Success is Our Goal! How can we help?

Fraternally Yours,

*Bill*

Bill Van Horn  
Program Director
